Perfect Location

- Conveniently situated along burgeoning I-215 Corridor
- Close proximity to 22 colleges and universities
- Just an hour from major Metropolitan cities and Counties such as Los Angeles, Irvine, Orange and San Diego
- The City is served by 5 international airports (San Diego, Orange County, Ontario, Los Angeles and Palm Springs) and 3 local commuter airports

Welcome to Menifee, California!

Incorporated in 2008, the City of Menifee is already home to over 36,000 companies, world-class establishments, award-winning libraries and schools, and over 92,000 residents. Marked as the fastest growing City in Southwest Riverside County, and 7th in SoCal, many residents come to Menifee for room to breathe, while others come for the thrill of participating in the creation of a new and exciting community that is close to everything in California. Menifee's family-oriented community, natural setting and sweeping vistas make it a fantastic City to live, and work and play.

Yet everyone agrees that Menifee is quite unlike any other city in Southern California.

Menifee is the FASTEST growing city in Southwest Riverside County.

Menifee is a boom town, with a high growth trade area. In fact, since 2017 Menifee growth rates has increased 38% since incorporation 10 short years ago, and is projected to grow 10% over the next 2 years, pushing Menifee well over 100,000 residents by 2020.*

Paradoxically, Menifee provides a safe quiet suburban feel right in the middle of a large population center—over 450,000 people within a 10 mile-radius of the Center of Menifee. Expand that radius to 15 miles, and the population increases to over 805,000- nearly one-third the entire population of Riverside County.

WHAT MAKES MENIFEE SO DESIRABLE?

Menifee's 10 miles trade area population of over

805,000 is comprised of a diverse, educated, and youthful population within one of the safest and best places to raise kids in the United States, and a Top City to live in Southern California.

New. Economic Boom

Menifee has experienced an immense economic boom over the decade, and has been a popular retail and commercial destination with its:

Brand new commercial centers
 Booming residential development

With an eye on commercial, professional office, and business park development, the City is streamlining processes and permitting, to make it **faster**, **cheaper and easier to do business in Menifee**.

Demographic reports reveal a STRONG leakage for auto sales, food services and restaurants, sporting goods, furniture and home furnishings, health and wellness, retail clothing, and general merchandise needs in Menifee, due to a lack of amenities in the City for a booming population demand.

Menifee is changing the way people in Riverside County
think about where and how they live. Residents want
a home town feel, a sense of community and plenty of
shopping, dining and recreational choices.

Better. Quality of Life

A College Town - With a \$700 million regional impact.

Not only is Menifee booming with residential growth, but Menifee is also home to the fastest growing California Community College, Mt. San Jacinto Community College (MSJC). In 2017, MSJC has grown 16% percent year over year, with over 27,000 students and is expect to reach 50,000 students within next 10 years.

Our Community College is investing in the Menifee Campus, increasing ready access to a motivated and a skilled workforce to meet the needs of incoming businesses.

- A planned 5,000 seat stadium for their award-winning athletic program, and for entertainment and concerts
- \$30 million for a STEM building to house labs, and the science and technology department.
- \$11 million in renovations this year alone with campus improvements, technology additions and a new Eagle Makerspace.

Incoming Schools

Menifee schools are ranked 2nd in Academic Achievements in Riverside County, and with the record numbers of incoming young families, Menifee school districts are adding three new elementary schools, one middle school, one magnet stem academy, and a high school academy to keep pace with Menifee's booming population.

Safe Community

Public safety is a high priority for the City Council, adding both police and fire services, and opening a new police substation. Menifee has increased public safety and was recently recognized by SafeHome.org as one of the safest cities in California among qualifying cities.

Commitment to Infrastructure

Menifee also understands how circulation and infrastructure plays a vital role in the quality of life of our residents, and the success of our businesses. City Council approved in 2017, a \$102 million-81 project plan that commits funding towards Infrastructure, Road/Maintenance, Facilities, and Park Improvement projects over the next 5 years.

The Scott Road Interchange project, a \$57.8 M investment, along Menifee's second busiest east/west corridor, will begin construction the end of this Summer. This project will reconstruct a new, six-lane bridge, new loop on- and off-ramps, and additional turning lanes. These changes will improve traffic flow in what is becoming **Menifee's next hotspot for development**.

AN AREA LIKE NO OTHER

- Award-winning business-friendly City
- Strong population growth
- Local Community College and higher education facilities to partner for training, giving your business direct access to a top motivated labor force
- Affordable modern upscale housing
- Available land for commercial, retail, office, and business park
- Over 30 beautifully maintained parks and miles of trails
- Safe city bursting with community pride

Menifee offers businesses the perfect combination of assets
-- a new, beautiful evolving infrastructure, smart planning,
affordability, room for growth, excellent quality of life, an
educated workforce, and a prime location in the heart of the
Southern California.

Best. For Business

We're ready for business and we've listened to our residents. That's why we improved the way we do business, with the one goal in mind - getting you opened quickly.

CAN-DO ATTITUDE

Menifee's City Council is committed to making Menifee the <u>BEST</u> it can be and understands how industrial, office, retail and commercial are the cornerstones to any successful city. From fast tracking the development process to unparalleled plan check services, and permitting, it allows businesses to move quickly, open and grow faster ultimately saving both time and money.

BUSINESS LIASION SERVICE and SITE SELECTION ASSISTANCE

Whether your business is relocating, expanding, or developing a new project in the City of Menifee, the Office of Economic Development also offers a reliable single point of contact through every stage of the development process.

- Attractive business incentives
- Staff can offer a list of possible sites for locating your business based on development land use and zoning codes
- Provide feedback on permitting processes
- A Rapid Response Team serves as your project partner during any and all phases of the site selection, due diligence, entitlement, permitting, construction processes and solving issues
- Workforce recruitment and training subsidies

As centrally-located as you can get.

Menifee is geographically nestled between the cities of San Diego and Riverside, in Southern California's picturesque Temecula Valley. **Menifee is close to major** freeways, bus and commuter rails, freight rail lines and is served by five commercial airports and a brine line.

Menifee is at the heart of desired transportation arteries, chief among them the I-215 Freeway, which provides easy access to surrounding areas and all of Southern California, which currently carries an average of 89,000 vehicles per day.

WORK FORCE: Home to a trade area exceeding 800,000 and central to a regional population of more than 2.6 million people within the County, Menifee's labor market offers a growing, dedicated and eager workforce.

EMPLOYEE RECRUITMENT ASSISTANCE

Active WORKFORCE DEVELOPMENT CENTERS of Riverside County (WDC), HIRING INCENTIVES and CA STATE TAX INCENTIVES assist businesses with on-the-job training and sales tax credits.

AVAILABLE LAND WITHIN THE ECONOMIC DEVELOPMENT

CORRIDOR (EDC): Menifee offers more than 2,000 aces of opportunity for growth with diversified, developable real estate available at affordable rates. This includes more than three miles of vacant available freeway frontage along the burgeoning Interstate I-215.

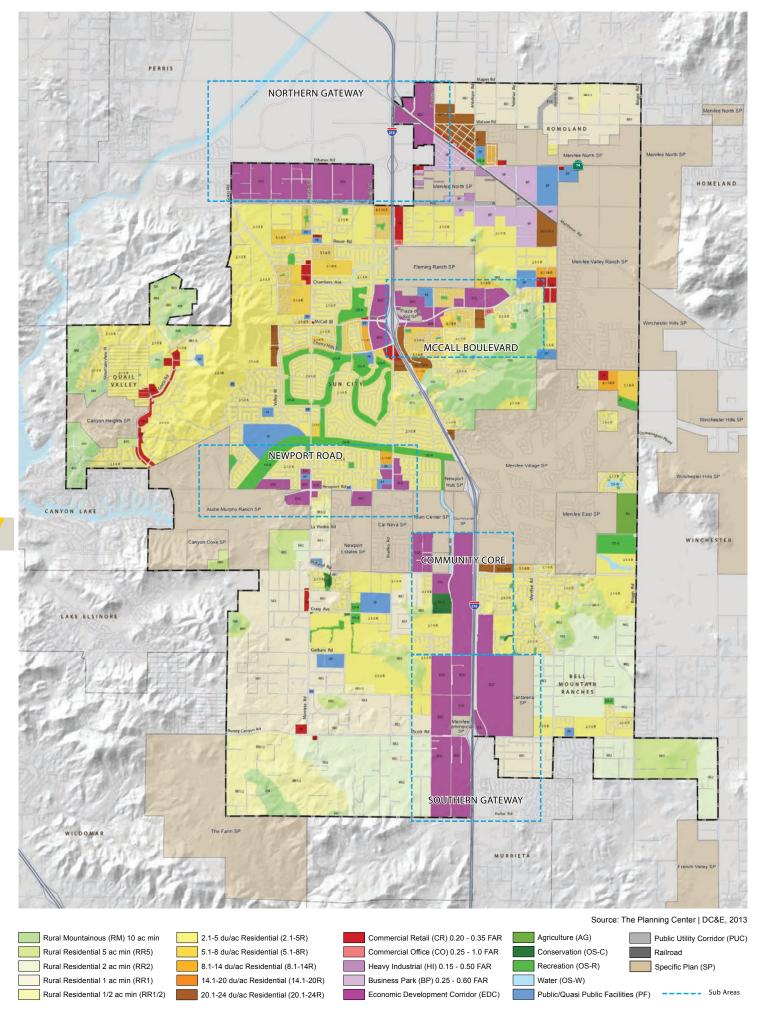

RETAIL and **RESTAURANT SALES:** Growing populations mean retail and restaurant sales continue to boom; performance numbers often exceed Statewide averages for the chains!

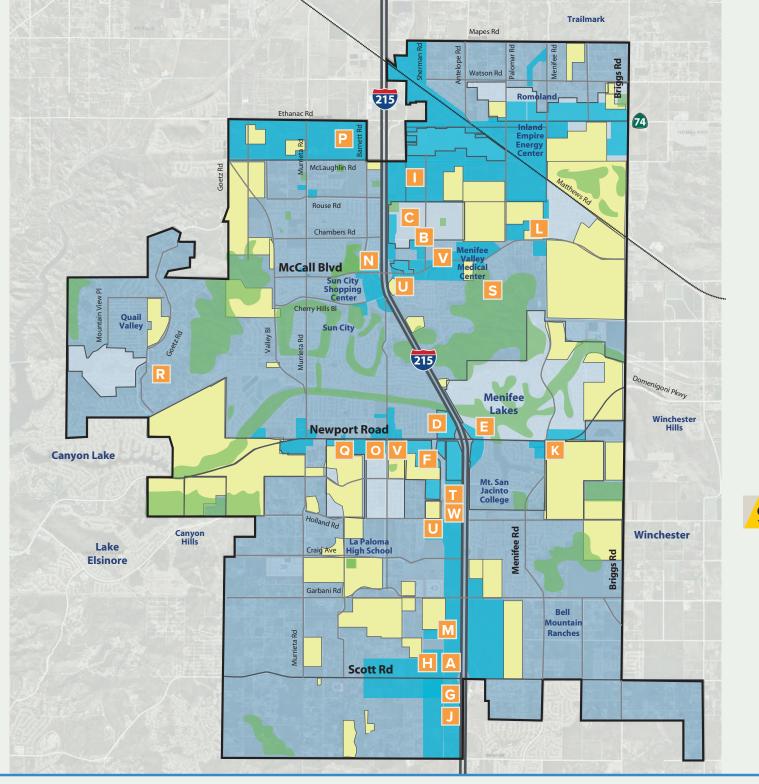

CENTRALLY LOCATED: Just 68 miles to San Diego, 74 miles to Los Angeles, 60 miles to Orange County and 30 miles to Riverside, the City of Menifee is centrally located along the I-215 corridor and freeways.

LINE A COMPLETION: This project provides protection from

historic flooding, improves water quality, and provides flood control.

BRINE LINE: The City is serviced by a brine line, or non-reclaimable wastewater line, making disposable more affordable and efficient for businesses.

In the News

Town Center Menifee

Dirt is moving on the Town Center Menifee project in Menifee's Economic Development Corridor. Construction on Central Park, the five-acre park located in the heart of the project is currently underway and will be completed this summer. Lennar's condominium project is under construction and will be completed later this year, along with RSI's luxury apartment housing. When finished, Town Center Menifee will include 218 condominiums, 330 luxury apartments and 277 detached single-family homes, all in the hub of Menifee.

Town Center Menifee will also include an upper mid-scale 62,000-square-foot Marriott Fairfield Inn and Suites Hotel with 99 rooms and a 4,000-square-foot meeting space. Strategic Medical Properties is building a 30,000-square-foot medical office building in the development, which is fully leased, and construction on both of these projects are projected to start end of this summer.

Construction and growth continue to be a strong theme for 2018 as exciting new amenities, shopping destinations and restaurants are opening in Menifee. New stores are opening at Menifee Lakes Plaza and Phase II construction is underway, which

is a 16-acre shopping plaza located at Newport and Antelope Roads. Menifee's newest retail center is home to the recently opened spacious, new 38,000-square-foot LA Fitness and Chevron Gas and service center. Other

businesses set to open later this year include Kahoots Pet Supply, specialty grocer Barron's Market, and Raising Canes, followed by Jamba Juice, Café Rio, Banner Mattress and Tuesday Morning.

A new sushi restaurant, Sapporo Sushi, along with Blaze Pizza, Waba Grill and The Coffee Bean & Tea Leaf are joining the strong lineup of food offerings at Menifee Lakes Plaza, along with Cosmo Nail Bar.

Under Construction

The 25,000-square-foot Haun
Professional Building is almost
completed near City Hall on Haun
Road. This building will be home
to medical and professional-related
businesses, bringing hundreds of daytime professionals and jobs to Menifee.

Work is complete on Phase I

of Commerce Pointe Menifee, the region's newest business, commercial and light industrial center off of Haun Road, adjacent to Interstate 215. The 72,800 square-foot building is welcoming it's newest tenant Chute Systems this summer. Plans for Phase II, which will complete the next 84,300 square-foot building of a total 800,000 sq ft project, are being completed.

Grading is about to start on Smart & Final "Extra!," Menifee's one-stop shopping experience for household, nonprofit and business customers. This large-scale store is the anchor for Phase II of the Newport Town Square retail center development, conveniently located off of the I-215 at Newport and Haun Roads. One retail opportunity is available, please see 11 for more information.

In eastern Menifee, the 44,000-square-foot Stater Bros. Blue Ribbon anchor store is open along with many of the new businesses at the Shoppes at the Lakes retail plaza. The 14-acre plaza at the corner of Newport and Menifee Roads, also includes a drive-thru Starbucks, CVS Pharmacy, McDonald's and Del Taco and has available restaurant and shopping pads. See page 10 for more information.

Menifee's population growth and housing demand continue to boom

Menifee's welcomes 2.6 population growth for 2017, and according to the most recent Derrigo Study completed in February 2018, Menifee is projected to grow 10% over the next two years from all the new residential projects in the que, pushing Menifee past 100,000 residents. Within a 5 miles radius, the projected growth in the trade area is 12% with over 4,000 residential units to be completed. Demographics like these, it is no wonder why Menifee is still recognized as the #1 fastest growing city in Southwest Riverside County, and 7th in Southern California. Menifee's new, up-scale housing is attractive to incoming younger families or active seniors, looking for quality affordable housing in a safe community, with award-winning schools, programs, parks, and amenities.
