

CURBSIDE Pick-up & DELIVERY

Support our local restaurants during the COVID-19 outbreak.

On behalf of the City of Menifee, & the Menifee Valley Chamber of Commerce, we are providing you with local dining options during COVID-19 limitations to residents & our businesses. Menifee's businesses are the backbone of our local economy, providing necessary revenue to the City for continued vital services that our families, friends, neighbors, and businesses rely on.

In accordance with the Department of Public Health's order (reducing public gatherings to 10 or less, reducing restaurant occupancy by 50% and providing six feet of table spacing between patrons) the following list below is Menifee eateries that are providing modified services.

The City of Menifee thanks YOU for taking precautions with your health, while also supporting as many of the businesses in our City. While the situation with COVID-19 is difficult, we would like to remind you that it is important to **SHOP LOCAL** when choosing where to shop.
