On the other side of Menifee Town Center, businesses are under construction at Center Pointe and are quickly taking shape! Olive Garden recently

broke ground in May joining a great line up at Center Pointe, and a full-service Mexican restaurant and beer and wine bar, El Taco Bar, also announced it will be serving Menifee soon. In addition, this center will be home to Sprouts Farmers Market, a nail salon, Luna Grill Fresh Mediterranean, Monsta Snow, Wendy's and other eateries and services.

The Menifee Business Spotlight Program is run by the City's Economic Development Department. The program highlights community nominated businesses that go above and beyond the call of business. Please visit MenifeeBusiness.com to nominate a future spotlight recipient.

July: Shella Care

Shella Care provides in-home personal care and long-term care to senior members of the community. Shella Care focuses on allowing older residents in Menifee to remain in the comfort of their own home. While in the home, staff work to meet the health or personal needs of a resident. These services allow Menifee residents to live as independently and safely as possible when they can no longer perform everyday activities on their own. Thank you, Shella Care, for all that you do to care for Menifee seniors!

A new job resources center is coming to Menifee!

As employers fully reopen, the City of Menifee wants to ensure residents find their next employment opportunity or get job training and other resources that set them up to be a successful candidate for employment.

This summer, the City will open our pop-up community career resource center in partnership with Riverside County Workforce Development, to provide Menifee residents with computer access, resume assistance, workshops and job resources at our Kay Cenicerros Senior Center. Funding for this initiative comes from the City’s Community Development Block Grant CARES Act allocation and Riverside County’s Workforce Development Department’s federal funding. For more information about this new resource, please contact the City’s Economic Development Department at econdev@cityofmenifee.us or call (951) 672-6777.

Small Business Development Center (SBDC) will soon be available at Menifee City Hall in a partnership with Menifee’s Economic Development Department as part of the Building Better Businesses (B3 program). City Council recently approved a partnership agreement with the SBDC and SBA, to provide direct consulting for FREE for start-ups, entrepreneurs, and businesses now Monday - Friday (from 2 days to 20 days a month) to better assist Menifee’s growing business community with information and assistance on financing, grants, business plans, marketing tips, and general business assistance.
